

Letter From The CEO

Welcome to Connally Memorial Medical Center a beautiful 44-bed acute care facility serving Wilson County and surrounding areas. We truly believe that you will find, within our walls, professionals you know and healthcare you trust. We desire to be your provider of choice.

All of the staff at Connally Memorial Medical Center, including our excellent physicians, are committed to providing the care, attention and respect that you deserve when using hospital facilities. We are dedicated to providing excellence in service, technology and professional treatment of our patients. We strive to make your stay remarkable in every way. Examples of our commitment to superb care include:

- We are accredited by the Texas Department of Health.
- We are level four trauma certified and participate in disaster training programs.
- We operate some of the newest technology in the state including CT, MRI, ultrasound, mammography, and nuclear medicine.
- We operate our Multi-specialty Clinic on hospital grounds, including over 20 specialists in areas such as pediatrics, urology, pain medicine, cardiology, and nephrology.

Our success as a hospital can only be measured by the satisfaction of our patients and our community. We are dedicated to not only being the convenient choice of people living in our community, but rather being the *best* choice. I hope you will find your experience to be professional, caring and efficient from the moment you walk in our doors until the time you leave. The entire staff of Connally Memorial Medical Center is consistently looking for ways to improve the healthcare experience our patients receive. I invite you to please let us know if there is anything we can do to better serve your needs. Afterall, we are here to serve you.
